RESTITUTE

RESTITUTE CIC - 12299903

✉ support@restitute.org

We offer free practical and personalised support to 3rd party victims of crime based in the UK.

We educate and raise awareness of the challenges and difficulties faced by indirect victims of crime.

Restitute offers training to organisations, businesses and particularly those agencies that count victims of crime and their families amongst their service users.

We support ...

Parents, carers, siblings, and other family members that support children who are survivors of sexual abuse.

Non-abusing partners or children of those arrested for sexual offences against children (including online).

The loved ones of adults who have survived sexual assault as an adult or who were sexually abused as children.

Family and friends who are supporting someone who has suffered violence, including domestic violence.
